Dear Mr. Darby:

I have been requested by Stan Goettel to provide my understanding of the role of Moyers Corners Ambulance while I was director and it's response to North Medical Center.

During my time as Director of Moyers Corners Ambulance our response to North Medical Center was in a mutual aid capacity. It was understood that NAVAC would be the primary responder to this area. I believe that this understanding was with the full knowledge of the Fire Chief of Moyers Corners Fire Department who was also my supervisor.

Best Regards,

Debra Chandler, EMT-P
