Dear Mr. Darby:

I am writing this letter to support the Certificate of Need request by North Area Volunteer Ambulance Corps to expand their geographic coverage district.

As you know NAVAC has been a main stay for Emergency Transport in the North Area for many years. The community as a whole has benefited from their service and an expansion of coverage can only benefit that same community.

If you have any questions or concerns with approval of this request feel free to contact me.

Sincerely,

Theodore M. Pasinski
President
