# It's Just A Matter Of Time.

Dear Friend of NAVAC:

NAVAC has been fighting a fight that is very difficult to win in our community. With your help, we can finally win that fight.

NAVAC has been providing emergency medical care to all members of our community for the past 38 years. ***In 1970, NAVAC responded to 184 emergency calls. Today, NAVAC is responding to well over 6,000 calls.***

Emergency calls are the heart of NAVAC's mission. But we offer much more for the safety and health of our community, including first aid and CPR classes, wilderness search and rescue, water rescue, air medical response, and assistance to area firefighters. So many things changed in those years yet one fact remains the same.

That fact is the reality of how much NAVAC is not funded by your local tax dollars. It's true! ***Only 3% of NAVAC's total operating budget comes from taxes.*** We want to bring this information to your attention and to ask for your help

During this season of giving, we hope you will think of NAVAC and follow through with a donation. ***Your help is needed now more than ever.***

On behalf of the NAVAC family, thank you for helping us to continue providing emergency medical care to all members of our community.

Sincerely,

Christopher Bitner  
Executive Director

Michael Moore  
President
